INTELLIGENCE REVIEW

COURSE OBJECTIVES

To provide an opportunity for experienced Agency personnel to obtain a better understanding of current developments and problems arising within the Agency and the Intelligence community--including:

1. appraisals of major international trends affecting intelligence;
2. changes in--and problems facing--the intelligence community;
3. recent and projected organizational developments to meet current and future Agency responsibilities;
4. major problems of collection, production, coordination and support of intelligence;
5. the future of the U.S. intelligence effort.
